

**Important!**

If the four 6,5mm thru holes are used for mounting, make sure the step down to the O-ring sealing surface is sufficiently low (< 17,5mm) in order to make the O-rings compress.

Weight in air: 4670g

O-ring: 107,62x2,62 NBR70  
Screws: Titanium 8-32 UNC

Title: DVL 500/333, 6000m, Gen3, OEM
